Safeguarding Principles

We believe that ALL people have the right to be safe from harm, to achieve their potential and to be protected from abuse & exploitation.

At Christ Church we are committed to:

- ✚ the care and nurture of all children, young people and adults.
- ✚ the safeguarding and protection of all children, young people and adults when they are vulnerable.
- ✚ establishing a safe, caring community which provides a loving environment.
- ✚ selecting and training all those with responsibility in the church so that there is informed vigilance as to the dangers of abuse.
- ✚ responding to any concerns or situations that might arise with sensitivity and care.
